ENVIRONMENTAL EDUCATION

Students participated in various activities during the assembly spreading awareness that nature is an integral part of living on earth with great zeal and zest. Around 80 saplings were planted by the students of Spring Field School.

The students learned through the system of voting that they are the ones who can choose a leader for themselves, someone who will represent them and talk on behalf of them. An activity based learning for the students which helped them learn their Social Science Concepts.

Use of solar energy, plantation drive, stopping use of polythene, rain water harvesting, segregation of waste, reducing use of paper, disposal of electronic waste, fire drills, energy saving, awareness about environmental conservation and cleanliness, save water etc, activities/awareness program were organized in the school assembly.

TEACHERS TRAINING

In keeping with the school's policy of continuous upgradation of knowledge and skills, our teachers attended various workshops and seminars organized by the school and others to improve their academic skills conducted by CBSE offline as well as online workshops.

INNOVATIONS

From the session 2023-24, we implemented NEP 2020, where children will spend five years in the foundational stage, 3 years in the preparatory stage, 3 years in the in the middle stage and 4 years in the secondary stage. Students will learn everything through various activities conducted by teachers.

PTA Activities

PTAs focus on what students need to be successful in their learning, including nutrition, health, school safety, physical fitness and general well-being. PTA works with schools to ensure that children succeed.

We conducted 03 PTAs in the session 2023-24, Teachers, parents and students participated with great zeal, Parents represent the suggestions to improvement of students. Various activities conducted in PTAs focused on students' growth.

Other Activities

The school organized a plethora of other activities to ensure a holistic development of children.

Investiture ceremony, Independence Day and Republic Day Celebration, Teacher's Day Celebrations, Olympiads, Bhartiya Sanskriti Gyan Pariksha, Farewell to class XII, Inter School Competitions, educational trips workshops for students, GK Quiz etc, activities conducted in the school.

Many milestones have been achieved and many still have to be reached. We Spring Field School will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education.

This report is a sincere attempt to showcase our progress in terms of achievement and activities during the year.

We wish to dedicate all our achievement to the committed team called Spring Field School.
